OFFICIAL BAND RULES

YES, EVEN ROCK STARS NEED RULES SOMETIMES. HERE'S EVERYTHING YOU NEED TO KNOW ABOUT ENTERING YOUR BAND INTO THE BATTLE.

- 1** Band entry fee is \$2,500, which does not include a VIP table. VIP tables are available to purchase at \$1,000 each (seats 10).
- 2** In addition to your entry fee of \$2,500, your band must provide one major raffle/door prize (suggested retail value: \$200).
- 3** Your band must have a minimum of 3 members and a maximum of 10.
- 4** Your band may have a member or members from a client or associate company, but the majority of the band members must be on your company's payroll.
- 5** Each band will perform one 12- to 15-minute set. (This is subject to change depending on the number of bands performing.)
- 6** You must agree that all recorded material of your band performing before, during and after the event (i.e., sound, film, video, photography and the various formats such as DVD) is the property of the Triangle Corporate Battle of the Bands and can be used for promotional purposes.
- 7** There are many ways to win in the competition. Besides being crowned champion of the Battle and runner-up, bands and band members may be given awards in a variety of categories, including Best Individual Performance.
